## **Stonework at Kents Hill**

JON JENNINGS AND Thermotech Masonry have completed several projects during the past few years in Kents Hill, Maine.

MARLEE'S BENCH, overlooking the western mountains (at top), memorializes a Kents Hill School student.

OUR WORK AT Alfond Arena is shown above right. We built the 240-foot curved patio with a 160-foot stone wall.

THE ENTRANCE TO Alfond Athletics Fields, at Kents Hill School, features granite benches and nine-foot granite sign post pillars with an arched Beacon Hill pavers entry.
